RYSS T-STEM Early College Middle & High Schools

R. YZAGUIRRE T-STEM ACADEMY

EARLY COLLEGE HIGH SCHOOL

RESPONSIBILITY, CITIZENSHIP COMMITMENT & HONOR

RYSS will be the gold standard for excellence in community-based education by graduating college-bound, civic-oriented leaders.

https://www.ryss.org/

Our Mission & Vision

We, the faculty, staff, family, and community of Raul Yzaguirre Schools for Success, have committed ourselves to providing and obtaining the highest standard of education in a culturally relevant setting. The pursuit of excellence is aimed at developing self-respect and pride among our students.

We at RYSS empower all students to attain sustainable 21st century skills through participation in innovative college and career readiness programs.

It is our goal to see each and every student that graduates from RYSS attend a two- or four-year college or enrolled in a career-specific training institute upon graduation from High School.

"Our ultimate goal is for our students to become critical thinkers and lifelong learners."

Pharmacy Technician (P-Tech)

Become a Pharmacy Technician starting in 2021 school year. Students will have the opportunity to earn their certification as a Pharmacy Technician and achieve an associate degree of Applied Science with HCC free of charge.

AP Classes

Students have the ability to receive college credit for classes while in high school. Here are our Advanced Placement class offerings:

- Art
- Biology
- Calculus
- Spanish
- Physics

WHY RYSS

RYSS T-STEM Early College Middle and High School offers a college preparatory program that offers Advanced Placement courses, Dual Credit courses, and Pharmacy Technician Certification and associates degree (P-Tech). In addition to our STEM focus, we offer a JROTC program, Business Management classes, Art, and Spanish to name a few of our many academic offerings. We offer graduation endorsements in STEM, Business and Industry, Public Service, Multi-Disciplinary, and Arts and Humanities course pathways.
