

# BRYSS Transportation

## Buses Running Again Amidst COVID-19

### BUS DRIVER

- **Will complete “Wellness Checklist” prior to starting route. Leave at front office.**
- **Will wear a mask and shield.**
- **Will wash hands prior to boarding bus.**
- **Will sanitize hands on bus.**
- **Will open 8 windows to allow for air circulation. (Empty Seats)**

## STUDENTS

- Will wash hands prior to loading.
- Will sanitize hands upon loading the bus.
- Will have temperature checked by bus driver as they load. (AM)
- Will sit at assigned seat. Seats will be labeled and skipping one row.
- Will wear masks on the bus.
- Will maintain social distancing as they load and unload.
- Siblings will be allowed to sit in same seat.

## BUS DRIVERS

### ■ **Will clean bus after every route.**

- Handrails for entering and exiting
- Driver Steering Wheel
- Dash Area
- Seats
- Windowsills

### ■ **Will clean bus at the end of the day.**

- All of the above.
- Place fogger at the end of last route and close bus to disinfect all night.
