August 2022

Dear Panther Parents & Students,

Welcome to Raul Yzaguirre Schools for Success, we are looking forward to a successful 2022 – 2023 school year. We know that a strong partnership with you will make a great difference in your child’s education. Together we will share responsibilities for your student’s education.

RYSS Dress Code is enclosed. Your support of this dress code is critical in continuing to create an environment at RYSS that is conducive to learning. Please review the Dress Code with your child carefully. As the new school year begins, I would also like to emphasize the importance of good attendance. Students should make every effort to be at school each day. Students with more than 3 absences are subject to losing credit! **School begins Monday, August 15, 2022.** We have included our 2022 – 2023 school calendar. We will continue an afterschool program with a variety of choices for students to choose from.

House Bill 4545 recently passed in the 87th Regular Legislative Session. The new statute is effective, as of June 16, 2021, with accelerated instruction practices required during the 2022-2023 school year for all students, based on results from Spring 2022.

We look forward to serving your student and are excited about the opportunities for the upcoming school year.

Sincerely,

Noelia Longoria

Estimados padres/guardianes:

Bienvenido a Raul Yzaguirre Schools for Success, esperamos un exitoso año escolar 2022-2023. Sabemos que una asociación sólida con usted marcará una gran diferencia en la educación de su hijo. Juntos compartiremos las responsabilidades de la educación de su estudiante. Se adjunta la vestimenta de 2022 – 2023 para los alumnos de RYSS. Su apoyo a esta vestimenta es fundamental para continuar creando un ambiente en RYSS que sea propicio para el aprendizaje. Revise el código de vestimenta con su hijo/a detenidamente. Al comenzar el nuevo año escolar, también me gustaría enfatizar la importancia de una buena asistencia. Los estudiantes deben hacer todo lo posible por estar en la escuela todos los días. ¡Los estudiantes con más de 3 ausencias están sujetos a perder crédito! La escuela comienza el 15 de agosto de 2022. Hemos incluido nuestro calendario escolar 2022 - 2023. Continuaremos con un programa extracurricular con una variedad de opciones para que los estudiantes elijan.

Horas de escuela:
- Lunes a viernes de 8 a.m. a 4 p.m.

Si la dirección de su casa cambia durante el año escolar, notifique a nuestra escuela del cambio de dirección.

También alentamos a las familias a mantenerse conectadas por medio de redes sociales para obtener actualizaciones e información importantes sobre nuestros planes de reapertura.

ACADEMICS
CURRICULUM OVERVIEW
Early College T-STEM & STEM Academy is molding today’s learners into tomorrow’s leaders. The district has championed innovative educational learning initiatives supported by advanced programs and technology driven resources that foster student success. Through positive community and business support, the district provides a menu of post-secondary, technical and specialized opportunities that prepare students for higher education and adaptable workplace environments.

For years, RYSS students have continued to meet challenges head on and engage in rigorous curriculum. The number of students involved in dual credit and Advanced Placement classes continues to grow as part of the District’s commitment to College and Career Readiness.

CURRICULUM PROGRAMS

STEM (Science, Technology, Math, Engineering and Mathematics):
RYSS is committed to support and promote STEM education on our campus. Our students will be provided with educational opportunities in science, technology, and math. Students will engage in critical thinking and will have the skills and knowledge to problem solve.

ACCELERATED INSTRUCTION:
For any student who did not pass STAAR grades 3-8 or EOC assessments, accelerated instruction must be delivered in the 2022-2023 school year (starting in fall 2022) or subsequent summer of 2023. Accelerated instruction entails either:

1) assigning a classroom teacher who is a certified master, exemplary, or recognized teacher, or
2) delivering supplemental instruction (e.g., tutoring)

before or after school, or embedded in the school day and meeting HB 4545 requirements. To adhere to the HB4545, all middle school students receive Math and Reading enrichment classes. Furthermore, in high school, students that did not pass STAAR EOC assessments will be placed in support class. Please refer to HB 4545 for more information.

GIFTED AND TALENTED:
All students at our campus will learn and be provided with instruction that addresses their specific needs. Our teachers have been trained to provide our gifted and talented students with a challenging curriculum to expand their knowledge and develop into independent learners who go beyond the traditional curriculum. In addition, our gifted and talented students are allotted with a specific time in their instructional day to work specifically on their GT Project. The GT Program is designed for students who perform at a higher level and demonstrate creative and productive thinking.

SPECIAL EDUCATION SERVICES:
ECMS/ECHS complies with all state and federal regulations regarding the placement and services provided to students identified as needing special education services. Special education services are guided by a student’s Individual Education Plan (IEP), as defined by the student’s Admission Review and Dismissal (ARD) committee decision.
SPECIAL EDUCATION AND SPECIAL NEEDS:
RYSS will provide services to all our students who have exceptional needs. All students will have equitable access to the general education curriculum in the least restrictive environment. Our goal is to provide our students with academic support and a variety of instructional services to meet their needs.

SPECIAL EDUCATION SERVICES:
If a parent makes a written request for an initial evaluation for special education services to the director of special education services or an administrative employee of the school district or open enrollment charter school, the district or charter school must respond no later than 15 school days after receiving the request. At that time, the district or charter school must give the parent a prior written notice of whether it agrees to or refuses to evaluate the student, along with a copy of the Notice of Procedural Safeguards. If the school district or charter school agrees to evaluate the student, it must also give the parent the opportunity to give written consent for the evaluation.

Please note that a request for a special education evaluation may be made verbally and does not need to be in writing. Districts and charter schools must still comply with all federal laws prior to written notice and procedural safeguard requirements and the requirements for identifying, locating, and evaluating children who are suspected of being a child with a disability and in need of special education. However, a verbal request does not require the district or charter school to respond within the 15-school-day timeline.

If the district or charter school decides to evaluate the student, it must complete the student’s initial evaluation and evaluation report no later than 45 school days from the day it receives a parent’s written consent to evaluate the student.

However, if the student is absent from school during the evaluation period for three or more school days, the evaluation period will be extended by the number of school days equal to the number of school days that the student is absent.

*There is an exception to the 45-school-day timeline. If a district or charter school receives a parent’s consent for the initial evaluation at least 35 but less than 45 school days before the last instructional day of the school year, it must complete the written report and provide a copy of the report to the parent by June 30 of that year.

However, if the student is absent from school for three or more days during the evaluation period, the June 30th due date no longer applies. Instead, the general timeline of 45 school days plus extensions for absences of three or more days will apply.

Upon completing the evaluation, the district or charter school must give the parent a copy of the evaluation report at no cost.

Additional information regarding special education is available from the district or charter school in a companion document titled Parent’s Guide to the Admission, Review, and Dismissal Process.

SECTION 504 REFERRALS:
Each school district or charter school must have standards and procedures in place for the evaluation and placement of students in the district’s or charter school’s Section 504 program. Districts and charter schools must also implement a system of procedural safeguards that includes notice, an
opportunity for a parent or guardian to examine relevant records, an impartial hearing with an
opportunity for participation by the parent or guardian and representation by counsel, and a review
procedure.

**PROGRESS REPORTS & REPORT CARDS**

home at the end of every six weeks. For students who have failing grades or are at risk of a failing grade,
parents must be contacted to schedule a conference with the teacher of the failing/at risk of a failing
grade. Progress reports and report cards must be signed and returned to the teacher the following
school day. The school calendar will provide parents with dates when progress reports and report cards
will be distributed.

Excuses for absences include personal illness, sickness, or death in the family, weather or road conditions making travel dangerous, participation in school activities with permission of the principal, juvenile court proceedings documented by probation officer, emergencies or any other cause acceptable to the principal or superintendent.

Students must be given the opportunity to make up work missed due to excused absences. Reasonable time frames for the completion of assignments must be established with the teacher. Written excuses for absences or tardiness should be in the school’s possession no later than three school days after the date of the absences. The three-day period shall begin with the day the student returns to school. Parents and guardians can email Mrs. Garza, the attendance clerk their child’s excuse at jgarza@tejanocenter.org.

☐ Receive a paper copy of the Parent-Student Handbook.

I understand that the Student Handbook contains information that my child and I may need during the school year and that all students will be held accountable for their behavior and will be subject to the disciplinary consequences outlined here. If I have any questions regarding this Handbook, I should direct those questions to my child’s campus principal.
