Comprehensive Needs Assessment
Summary

Demographics
BRYSS has the advantage of serving a 100% population of Hispanic, English Language Learners. As a campus we are able to target the specific needs of this population. BRYSS also counts with a staff made up of 100% Hispanic, Bilingual teachers who represent and are able to target all the needs of our students. BRYSS will continue to offer its staff the professional development necessary to serve our ELL Learners.

Student Achievement
The data reflects that there was improvement in some areas. We maintained our scores in most areas this past 2018-2019 school year. There is room for improvement in reading, writing and science for all grades. A special emphasis will be given to reading, writing and 8th grade science. Rigor, higher level and critical thinking skills will continue to be a priority in order to improve the number of students achieving Masters grade-level performance in all subject areas tested.

School Culture and Climate
Providing all students the opportunity to participate in after-school enrichment programs as well as tutorials will continue to be a priority for our campus this year. Students are able to participate in our STEM, Robotics, LEGO, Chess, Painting, Dance, Author's Club and Editorial Clubs. Students can also participate in various team sports like volleyball, track and soccer.

Staff Quality, Recruitment and Retention
Our BRYSS staff is 100% highly qualified. Our teachers and staff are trained in different areas to address the needs of all our students. Campus leadership takes an active role in training and modeling for teachers to improve quality of instruction. All teachers are provided opportunities to participate in campus leadership roles such as SDMC and grade specific leads. Our RISE Mentoring program continues to empower our new teachers. Principal will lead Mentoring PLC Meetings twice a month to assist new teachers.

Curriculum, Instruction and Assessment
A strong focus in reading across all genres will be implemented. Article a Day, Poem a Week, sustained silent reading to increase stamina and AR will be emphasized. An aligned math curriculum which covers problem solving, math objectives and basic facts has been implemented in K-5th grades. Writing Across the Curriculum will continue to be implemented with an emphasis on editing and revising to address our writing scores. Social Studies scores have shown improvement; however, we will continue to align the curriculum that prepares students for 8th grade Social Studies TEKS and objectives. All students will participate in STEMScopes hands-on science activities and weekly labs to address all science objectives.

Family and Community Engagement
BRYSS counts with strong parental involvement. We have an increasing number of parents participating in different activities planned by our parent liason and principal. Parents feel welcome and comfortable on campus. Parents are involved in their child's education understanding the impact this has in their education. BRYSS emphasizes effective parental involvement that improves student achievement. BRYSS parents are given multiple opportunities to be a part of our school community.

School Context and Organization
BRYSS provides the staff and parents multiple opportunities to participate in the decision making process on our campus. Professional Development for RTI, researched based interventions and TEKS continues to be a need for our staff and parents. Data will continue to drive our instruction and parents will be presented with information in a timely manner.

**Technology**

BRYSS technology has improved; however, more computers and Chromebooks are needed to address the needs of our students. BRYSS counts with one Technology lab that is available to all students. Two Chromebook carts also assists students in the Primary and Middle School as well as our science and social studies labs. Teachers do need more professional development in the area of technology. Our Robotic program has advanced but still needs upgraded materials and programs.

**Special Populations**

BRYSS has made closing the performance gap for SPED and ELL students a priority. These students are provided with multiple intervention and extension activities to help them meet goals. Teachers provide students with in class support through the use of various language development strategies. All ELL and SPED students are invited to participate in our morning and afternoon labs and accelerated instruction classes. Our teachers will continue to receive intensive PD in ESL, vocabulary development and intervention strategies to provide all our students rigorous and engaging lessons to meet all objectives. Our Gifted and Talented students will participate in one project targeting various areas every nine weeks.
Curriculum, Instruction and Assessment

Strengths

1. Language Enrichment has been implemented in all grades K-2nd.
2. JELL and LTL reading units and novel studies have been implemented in all grades K-2nd.
3. Calendar "Circle" activities have been implemented in K-2nd.
4. Writing initiatives targeting editing and revising have been implemented in K-8th.
5. Focus on Science; planning and lessons. Targeting a cross-level science category (unit) throughout grades K-7th. Weekly science labs in grades K-8th have been implemented.
6. Imagine Math (TTM), Imagine Facts, STEMScopes Math, Math Clubs and CUBES Problem Solving have been implemented in all K-8th math classrooms.
7. Intervention Labs (groups) targeting 2nd-8th grade Reading using Guided Reading strategies with Leveled Readers have been implemented.
8. Teachers are incorporating anchor charts into their teaching in all subject areas. Anchor charts have built a culture of literacy and made thinking visible in the classroom.
9. Teachers are working with cross-level peers to align and implement engaging instruction.
10. Weekly Studies newspaper are implemented in grades K-8th for social studies.

Needs

1. Increase in quality of instruction in all content areas.
2. Implementation of writing across the curriculum to target writing across grade levels.
3. A reading focus across the campus to target all new ELAR TEKs, the genres and reading stamina.

Summary

A strong focus in reading across all genres will be implemented. Article a Day, Poem a Week, sustained silent reading to increase stamina and AR will be emphasized.
