

The Tejano Center for Community Concerns is proud to once again be part of the NeighborhoodLIFT program in Houston! This collaboration with Wells Fargo, NeighborWorks America, Avenue Community Development Corporation and Fifth Ward Community Redevelopment Corporation provides eligible home buyers with \$15,000 to use toward down payment and closing costs on qualified homes in the city of Houston. For qualified veterans and service members, teachers, paraprofessionals, law enforcement officers, firefighters and emergency medical technicians, the program provides \$17,500.
